

Rebel Community Kickbacks program

rebel

Our club has been selected to participate in the rebel Community Kickbacks program. Under this program, the BJFC can earn 5% of your purchases at rebel as in store credit to spend on our school sports programs.

It may not seem like much but it adds up over the course of the year when you consider that all our players need boots, shinpads, balls etc. But it's not limited to football gear, it applies to any purchases you may make at Rebel.

All you need to do is be part of a Rebel loyalty program, either Rebel Season Pass or Rebel Active, and specify our club "Balgownie Junior Football Club" at the counter at the time of purchase. You'll receive access to great member prices and other benefits and the club will receive a 5% credit from everything you spend.

If you haven't got a Rebel loyalty card, ask at the Rebel counter next time you make a purchase.

Rebel have also offered to update their system to note BJFC against any club members Rebel loyalty card. This means you don't have to remember to mention Bally when you make a purchase, the system will automatically recognise you are with BJFC when you have your loyalty card scanned.

To take advantage of this simple process, please email the Secretary with your Name, email address and mobile number and we will provide this information to Rebel to update your loyalty membership details.

The credit that the club earns through this program will be used to purchase equipment such as new goals, training balls and training bags.
